"Hi there, I'm Lily! I've lived in Bristol for 7 years and blog about the best bits of this fine city over on [lilydoughball.com](http://lilydoughball.com), with plenty of food, fashion, beauty and travel thrown in too. Come and say hello!"

### BEST WAY TO TRAVEL AROUND THE CITY...

Bristol is little enough to walk around quite easily, but if you want to look like a true Bristolian you have to travel by bike! YoBikes are only a quid a ride and you can spot the little yellow bikes on nearly every street corner.

### BEST CHEAP EAT...

The brilliant Pizzarova in Cargo on the Harbourside make incredible pizzas from their converted shipping container, and prices start at a mere £6!

### BEST PLACE TO HANG OUT...

It has to be on the massive terrace of Bambalan (next to Colston Tower) in the centre of the city - it's a glorious suntrap on summer days, and they have a fire pit for when things get chilly.

### BEST PLACE TO HAVE A DRINK...

If cocktails are your thing, take a trip up to Her Majesty's Secret Service (HMSS) next to Clifton Down station - the cocktails there are truly like no other!

## BEST PLACE TO DANCE THE NIGHT AWAY...

It has to be the brilliant Mr.Wolfs - this Bristolian institution has been entertaining the city for over 10 years, and there's always something wild going on every single night.

## BEST PLACE TO BREAK A SWEAT...

Nestled on the Welsh Back on the Harbour-side is Vivo Sports Club and gym - a nice alternative to the big gym chains in the city. Sat underneath is Club Haus cafe, perfect for a post-workout pint or two!

## BEST WAY TO UNWIND...

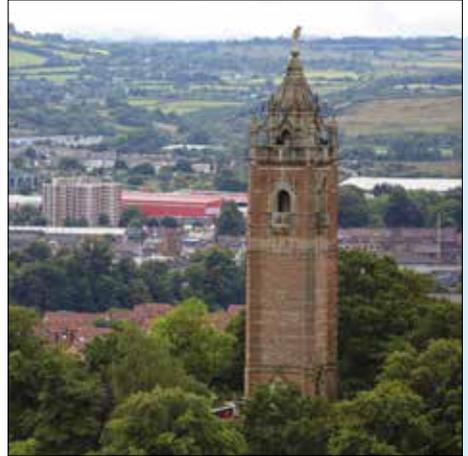

The stunning Clifton Lido is the perfect place to relax and unwind after a busy week. Take a dip in their outdoor pool or indulge in their decadent spa.

## BEST PLACE TO SHOP TILL YOU DROP...

Ditch the commercial business of Cabot Circus and take a walk up Gloucester Road for a true Bristol experience - this road is the UK's longest stretch of independent shops, and home to some of the best vintage stores in the city.

## BEST TOURIST SPOT OR MUST SEE...

Everyone knows about our famous bridge, but take a walk up Cabot Tower in Brandon Park for an even better view all the way across Bristol.

## HIDDEN GEM...

Film buffs simply have to take a stroll up Christmas Steps to find the truly brilliant 20th Century Flicks, one of the last remaining video shops complete with their own 12-seater bijou cinema tucked away in the back corner.
